Fees

The fee for this program is currently \$15 per student*. For classes less than 27 students, a \$400 minimum group total will apply. Payment can be submitted the day of the voyage or FORE can invoice your school after the trip. Checks should be made out to the Foundation for Ohio River Education.

**Discounts are available for schools with 25% or more of students on free and reduced lunch programs. We will work with schools as much as we can to keep our rates affordable. Please contact Heather Mayfield at 513-231-7719, extension 115, or at hmayfield@orsanco.org for more information about pricing options.*

Pre-Voyage Curriculum

Teachers new to the program must attend a one-day Curriculum Training Workshop in order to implement the pre-voyage activities in their classroom. The training includes water quality testing at a local stream where all participating teachers become certified through ORSANCO's Riverwatchers volunteer monitoring program. The training also includes hands-on instruction and materials for teachers to teach pre-voyage activities in the classroom. **The one-day training will take place at least one month prior to the start of the cruise season and will be coordinated by FORE based on the availability of registered teachers.** Pre-voyage instruction will take approximately two to four weeks in the classroom. Teachers will receive a curriculum kit that will help prepare students for concepts and skills addressed during the voyage.

This application can be emailed to hmayfield@orsanco.org. It can also be printed off and faxed to Heather Mayfield at 513.231.7719, or snail-mailed to:
